Kim,

Thank you for your gift of \$620 on September 15, 2022 to the Sandy Hook Promise Foundation. Your contribution will help us fulfill our mission to end school shootings and create a culture change that prevents violence and other harmful acts that hurt children. This is achieved through delivery of our *Know the Signs* programs, our proven violence prevention curriculum delivered at no cost to schools and youth organizations around the country.

Thanks to support like yours, we are delivering on our promise to protect kids in their homes, schools and communities. See our [Annual Report](#) to learn more about the impact of your generosity. Since launching *Know the Signs*, millions of people have learned to recognize the signs of someone who may harm themselves or others and get help before violence occurs. Together, with your support, we have:

- Stopped multiple school shootings, suicides and gun threats
- Reduced bullying and cyberbullying, while increasing empathy and kindness
- Prevented cutting, substance abuse, hate crimes and other forms of violence and self-harm
- Helped thousands of students get the mental health assistance they need

We are proud of this lifesaving work and hope that you are, too – this impact is not possible without your partnership. Here are three other ways you can help turn this

tragedy into transformation.

1. Ask your employer to match your gift and make your donation go further
2. "Like" Sandy Hook Promise's page on **Facebook**
3. Tell your friends and family to make the **Sandy Hook Promise**

Thank you for your belief in Sandy Hook Promise and our work.

Sincerely,

Nicole Hockley (Dylan's mom)
